Who was Peter Pan?

Introduction: This term our main topic is Peter Pan. We will be thinking about the question 'Where would we fly to?'. Our topic will culminate in our production of Peter Pan which we hope as many parents as possible will be able to attend. In English we will be exploring descriptive techniques linked to the classic text of Peter Pan by J M Barrie. As well as our weekly Reading, Spelling, Maths and English homework we would like all children in Year 6 to try to complete 3 of the following tasks by Thursday 1st December.

Curricular Area	Option 1	Option 2
<p>Maths</p>	<p>Create a quiz book which includes a variety of maths problems across all four of the operations, with a Peter Pan theme. How challenging can you make it? Remember you will need to have an answer booklet as well.</p> 	<p>Create a treasure game of your choice. Think about how you could include co-ordinates across all four quadrants.</p> 

<p>Topic (Creative)</p>	<p>What can you find out about the author of Peter Pan – J M Barrie? Write a short biography or fact file about him.</p>	<p>You have thought about creating your own Neverland at school. Now can create it? You can do this in any format you like – you could build it out of clay, paper mache or paint a big map of it. Think of what your island is made up of and who might live on it!</p>
<p>English</p>	<p>Wendy left home to fly away to Neverland. Her Parents would not have allowed that. Think about the following question:</p> <p>Is it ever right to do the opposite of what your Parents/Teachers tell you?</p> <p>In your written response you need to focus on:</p> <ul style="list-style-type: none"> • Considering both points of view • Give reasons 	<div data-bbox="954 316 1682 488" data-label="Image"> </div> <p>Did you know that it is Roald Dahl's 100th birthday on 13th September? Your task is to create an Author Study about him.</p> <p>Use the link below to guide you: http://questgarden.com/127/73/6/110610095835/process.htm</p> <p>(ignore the part where it says with your partner as you are to create an author study alone)</p>

We look forward to celebrating the children's awesome home learning at school; as they complete a task please can they bring something into school to share with us this may be a photograph if it was a practical task with no end result).

If you have any queries regarding anything at all please feel free to email your class teacher. Our email addresses are:
