

Year 2 Homelinks Term 2

As well as our weekly Reading and Spelling homework we would like all children in Year 2 to try to complete 5 tasks by **Thursday 16th March**. We look forward to celebrating the children's amazing home learning at school; as they complete a task please can they bring something in to school to share with us (this may be a photograph if it was a practical task with no end result). Thank you for your support.

Curricular Area	Option 1	Option 2	Option 3
Literacy 	Write a poem about your favourite underwater animal and video yourself performing the poem or perform it to the class.	Tell a story about an adventure under the sea. You could make a book, video yourself telling the story, or any other way you can think of to tell your amazing story.	Write about a day when you travelled to a different period of time. Include pictures and conversations you had with the people you met on your travels. What did you learn from your visit?

<p>Mathematics</p> 	<p>Create word problems which include addition, subtraction, multiplication and division. Use your imagination to present them to challenge the class.</p>	<p>Play 'How long is a minute'. Close your eyes and ask an adult to time one minute. Open your eyes when you think a minute is up. Keep a tally of when you were nearly correct and not correct. After you have played this at least twenty times, use the data to make either a pictogram or block chart.</p>	<p>Can you create a quiz about 2D and 3D shapes and their properties? Test your classmates on their shape knowledge!</p>
<p>Topic</p> 	<p>Create a Fact File about your favourite Sea animal.</p>	<p>Research marine animals in the waters of the UAE and explain why some are protected.</p>	<p>Create and design your own superhero, what special powers would they have? What would they look like?</p>
<p>Creative</p> 	<p>Can you make a model of your favourite marine animal?</p>	<p>Design and make an Under the Sea collage using lots of different materials.</p>	<p>Design your own superhero cape or costume.</p>

For further information please email your class teacher, we look forward to seeing your completed projects.
