MANAGING COMPLIMENTS AT THE PEARL PRIMARY SCHOOL

WE WANT TO HEAR FROM YOU

We hope there will be times when you would like to tell us you feel happy with your child's school.

If you feel particularly pleased with an aspect of The Pearl Primary School, please make your feelings known and pass on thanks and compliments to the staff concerned.

DEALING WITH COMPLIMENTS AND SUGGESTIONS

Your compliments and suggestions are important to us. We try to learn from them and see them as an important part of further improving positive relationships between home and school. Your words really will be appreciated not only by the staff and the Principal, but by the pupils as well.

- Any suggestions are welcome and will be given careful consideration.
- You can let us know about compliments and suggestions by telephone, letter or email (pa@pearlprimary.sch.ae), speaking personally to the staff concerned or to the Deputy Principal or Principal. Please be aware it may not always be possible to speak with teaching staff immediately.

Please see our separate Complaints Policy and School Clinic Complaints Policy.
